

So You Want to Start a Nonprofit

NONPROFIT UNIVERSITY and the GEORGIA CENTER FOR NONPROFITS is pleased to offer a class on how to start your nonprofit on December 16, 2009

What You Will Learn:

What is involved in starting a nonprofit— what you should keep in mind as you start a nonprofit to support and protect designation of nonprofit status

Legal consideration and state requirements—reserving your name, filing with the state, board considerations, bylaws and articles

IRS consideration and forms needed—filing for exemption, overview of various forms, employer identification numbers

Financial considerations

Projecting a budget

Accomplishing your mission/goal WITHOUT starting a nonprofit
