# Georgia Manufacturing Alliance

## Promoting Georgia's Best People and Products

### "People of Manufacturing" Award Program

In an effort to bring exposure and recognition to Georgia manufacturers and their employees, the Georgia Manufacturing Alliance is honoring the "People of Manufacturing" in Georgia that exhibit excellence on a day-in, day-out basis. This year we're excited to announce the addition of two new awards that will seek to recognize a team of employees who have gone above and beyond to better their organization's manufacturing operations.

The 2015 awards categories will be:

- **Front Line Leadership**
- **Plant Manager**
- **Team Safety**
- **Team Operational Excellence**

To learn more about how you can recognize your top performers, visit our awards page at [www.GeorgiaManufacturingAwards.com](http://www.GeorgiaManufacturingAwards.com)

Nominations are being accepted now through October 9, 2015. All nominees will be recognized for their contribution to their organization. Three finalists from each category will be invited to attend the Georgia Manufacturing Alliance Summit on November 18th, where the winning individuals and teams will be named.

Support Georgia manufacturing and those who contribute to its success. Nominate employees who have made significant contributions to your organization!
