

TEDxPeachtree is a Georgia non-profit founded in 2009 that brings the globally renowned TED-like experience to metro Atlanta. The organization plans and presents the **annual flagship TEDxPeachtree show** in the Fall and **3 - 4 salons** throughout the year. Salon events are limited to 40-50 participants to foster deep discussion on a specific topic. All events are independently organized under license from TED. TEDxPeachtree is led by an all-volunteer team and members are bound by a common belief that ideas can make a difference and change the world.
